

We want to Adopt-A-Unit, where do we start?

Remember, you must have permission from the Commanding officer or Senior NCO of the unit you are adopting.

- RESOURCES:

- VFW Department NMS Chairman & Ladies Auxiliary VSF Chairmen.
- Post/Auxiliary members with family currently serving in the military.
- VFW National MAP/Adopt-a-Unit program can provide 2 kinds of resources:
 - List(s) of activated Guard & Reserve Units by City/state. These will still require some research because they don't include specific contact information.
 - Military Bases/Installation pages, these will normally have a "Public Relations" office to get started from.
